---

Student Name: \_\_\_\_\_

I will be attending the PRT106, Hydrogen Sulfide (H<sub>2</sub>S) Instructor Development course. In signing this document, I, the undersigned, attests that I possess an awareness level understanding of Hydrogen Sulfide (H<sub>2</sub>S) to include the following topics:

- Properties and characteristics of H<sub>2</sub>S
- Sources of H<sub>2</sub>S and areas of potential exposure
- Typical safe work practices associated with H<sub>2</sub>S operations
- Detection methods of H<sub>2</sub>S
- H<sub>2</sub>S engineering and mitigation controls
- Properties, characteristics, and safe work practices of sulfur dioxide SO<sub>2</sub>
- Selection, use, and care of personal protective equipment (to include respiratory protection) associated with H<sub>2</sub>S environments
- Rescue techniques and first aid procedures for victims of H<sub>2</sub>S exposure
