

General Reporting Instructions STCW Basic Training

- LOCATION:** Classroom sessions are conducted at:
Brayton Fire Field – Emergency Services Training Institute
1595 Nuclear Science Road, **Building # 71**
College Station, TX, 77843
- CLASS TIMES:** 8:00AM CST on Monday and ends at 5:00PM CST on Friday.
- IDENTIFICATION REQUIREMENTS:** All students attending a U.S. Coast Guard approved course are required to provide TEEX with a picture ID on the first day of class. (Driver's License, Passport, MMD, Armed Forces ID, etc.)
- DRESS:** In order to participate in interior firefighting projects, participants' facial hair must meet OSHA requirements for wearing Self-Contained Breathing Apparatus (SCBA). Beards or long sideburns are not allowed. The student must be clean shaven except for mustaches prior to attending class. Dress will be seasonal work clothing that the participant does not mind getting dirty. Shirts must have at least short sleeves and pants must be long. No open toed or slipper type shoes are allowed.
- Practical pool session** – Appropriate swim attire and a towel. No cut-offs allowed. All participants need to follow company attire policy. Bring extra seasonal work clothing mentioned above.
- RISK RELEASE:** Students will be required to sign a risk release form at the start of class. If you wish to review the risk release prior to the start of class, please visit our web site at www.teex.com/marine
- HOUSING/ HOTELS:** Area hotels and motels are available and reservations are recommended. You can visit <http://www.visitaggieland.com/> for more information.
- PUBLIC TRANSPORT:** STUDENTS ARE RESPONSIBLE FOR THEIR OWN TRANSPORTATION.
College Station is equal distance between Houston and Austin.
- FOR MORE INFO. CONTACT US:** **Marine Firefighting Program at 979-845-1152**
