### **Course Description**

This five-day course serves as a basic introduction to the activities and processes of a USFA Type 3 AHIMT. The ideal number of participants is between 24 (divided into three teams of eight) and 40 (divided into four teams of 10 or five teams of eight). USFA recommends a minimum of two instructors per delivery and a minimum of one mentor per team of eight to 10 to facilitate the delivery.

### **Course Purpose and Goal**

This course meets the needs of the National Incident Management System (NIMS) and the National Response Framework (NRF). The USFA Type 3 AHIMT course focuses on the importance of developing and operating as a functional USFA Type 3 AHIMT. This course will assist individual responders to perform as viable team members by:

### **Demonstrating the goals of NIMS and NRF**

- Emphasizing the nature and purpose of a USFA Type 3 AHIMT so that others in the community and emergency services are more willing and able to assist within various components of their local USFA Type 3 AHIMT.
- Demonstrating the critical role that leadership and teamwork skills play in the success of a USFA Type 3 AHIMT.
- Providing a basic framework for building and maintaining critical interpersonal communications and working together as a team member of a USFA Type 3 AHIMT.
- Offering practical experience of on-scene operations through extensive exercises and simulations, as well as through post-course refresher training, by providing students with the opportunity to perform as members of a USFA Type 3 AHIMT during a mock incident management situation.
