This interactive lecture series with two of the best in the fire service, Ric Jorge and Lee Forshner. "Positive Mindset the road to First Responder Behavioral Health" is a discussion on how First Responders can deal with the stresses on and off the job, and behavioral health. Ric and Lee will have conversations with the students on what they did to help themselves when they were in that position or a similar position. We will also discuss CISM, EAP what works what doesn't and what your department uses to assist its members.
