

## Lubbock Area Fire Conference

**City:** Lubbock, Texas  
**County:** Lubbock  
**When:** March 31, April 1-3, 2025  
**Where:** 1515 E Ursuline St, Lubbock, TX 79403  
**Fee:** FEE is listed under each class  
 Training may be eligible Texas A&M Forest Service training tuition assistance [FireConnect](#). Application process can be found at [TexasFD.com](#).  
**Registration:** Register Online with TEEX - <https://rb.gy/ionsl>

Course	Day / Time	*REQ	Objectives/Description	Hrs.
Rope Rescue FEE: \$300.00 ARE006-105 <a href="https://tinyurl.com/z9n48kck">https://tinyurl.com/z9n48kck</a>  <small>TEEX FP ARE006 105 R</small>	3/31/2025 6:00 PM to 4/3/2024 10:00 PM  Each Night Monday – Thursday Must attend all 4 nights	3	This course, based on NFPA 1006: Standard for Technical Rescue Personnel Professional Qualifications, offers a combination of classroom and practical evolutions that is designed to provide specialty certification and training. This course is the basis that all other rescue courses are built on.	16
Common Passenger Vehicle Rescue FEE: \$300.00 ARE006-107 <a href="https://tinyurl.com/2p8mx7f8">https://tinyurl.com/2p8mx7f8</a>  <small>TEEX FP ARE006 107 R</small>	3/31/2025 6:00 PM to 4/3/2024 10:00 PM  Each Night Monday – Thursday Must attend all 4 nights	3	This Vehicle Extrication course meets or exceeds the requirements for NFPA 1006 Chapter 8 Standards for Technical Rescuer Professional Qualification, Common Passenger Vehicle Rescue Awareness, Operations and Technician. The course includes classroom lecture and hands on training of Common Passenger Vehicle Rescue. The course focus is Incidents involving common passenger vehicles and Safe Patient Removal. <ul style="list-style-type: none"> <li>• Students must attend all 4 sessions, 16 hours. If you sign up for this course, it will be the only course you will take at the conference.</li> <li>• Prerequisites: None</li> </ul> PPE including eye protection required	16

Course	Day / Time	*REQ	Objectives/Description	Hrs.
RT-130 Wildland Fire Safety Training Annual Refresher FEE: \$0.00 Registration will be through the TFS Acadis Portal: <a href="#">Training Event Details - Acadis® Portal</a>	3/31/2025 6:00 PM to 10:00 PM	2	The intent of RT-130 is to focus line-going personnel on operations and decision-making issues related to Fireline safety in order to recognize and mitigate risk, maintain safe and effective practices, and reduce accidents and near misses. Course will also include fire shelter deployment.	4
Live Fire LPG Monday FEE: \$75.00 ARE006-111 <a href="https://tinyurl.com/3whxjrk9">https://tinyurl.com/3whxjrk9</a>  <small>TEEX FP ARE006 111 R</small>	3/31/2025 6:00 PM to 10:00 PM	4	While liquid propane gas fires are rare, the unique dangers and challenges they pose require specialized techniques to control and extinguish. Hose handling and working together as a team are key aspects of LPG fire evolution success and will be part of the instruction.	4
Live Fire House Monday FEE: \$75.00 ARE006-110 <a href="https://tinyurl.com/4bnewws6">https://tinyurl.com/4bnewws6</a>  <small>TEEX FP ARE006 110 R</small>	3/31/2025 6:00 PM to 10:00 PM	4	Live fire evolutions within the LFR burn house focusing on initial fire attack techniques, hose handling, and basic search.  Live Fire: We must have a signed live fire waiver on file for you to participate in live fire training. If you or your department has submitted one in the past we will verify your waiver and you will be approved.	4

Course	Day / Time	*REQ	Objectives/Description	Hrs.
Forcible Entry Monday FEE: \$75.00 ARE006-106 <a href="https://tinyurl.com/2m22m8rs">https://tinyurl.com/2m22m8rs</a>  <small>TEEX FP ARE006 106 R</small>	3/31/2025 6:00 PM to 10:00 PM	4	Being able to gain access to the inside of buildings and vehicles in an effective and efficient way, gives first responders the ability to quickly rescue victims or mitigate the problem at hand. This class discusses the different techniques and thought processes to effectively force entry, as well as the opportunity to force different doors on our forcible entry simulator.  Bunker Gear and Eye Protection Required	4
Basic Hose Handling FEE: \$75.00 ARE006-108 <a href="https://tinyurl.com/3wsp6sh7">https://tinyurl.com/3wsp6sh7</a>  <small>TEEX FP ARE006 108 R</small>	3/31/2025 6:00 PM to 10:00 PM	3	This course starts with an introduction to the fundamentals of fire service nozzles, hose, and basic hose handling techniques and moves onto more complex aspects of hose handling, hose storage, and hose lays.  Bunker Gear Required	4
Fire Science FEE: \$75.00 ARE006-109 <a href="https://tinyurl.com/mp5u8e6y">https://tinyurl.com/mp5u8e6y</a>  <small>TEEX FP ARE006 109 R</small>	3/31/2025 6:00 PM to 10:00 PM	1	This lesson describes the science of fire. It includes information about thermal energy, fuel, and oxygen, as well as self-sustained chemical reactions. The lesson also covers fire development in a compartment, structure fire development, and the reaction of building construction to fire.	4

Course	Day / Time	*REQ	Objectives/Description	Hrs.
SCBA Basic FEE: \$75.00 ARE006-114 <a href="https://tinyurl.com/mwbkkch7">https://tinyurl.com/mwbkkch7</a>  <small>TEEX FP ARE006 114 R</small>	4/1/2025 6:00 PM to 10:00 PM	4	The firefighter's SCBA is his/her lifeline. To perform interior fire operations safely and effectively, a firefighter must master all aspects of an SCBA from daily maintenance and checks to emergency operations. Anything less puts firefighters at unnecessary risk. This course starts from the very beginning providing students a foundation of understanding on the basics of SCBA use and methodology. As the class unfolds, students build on that foundation, learning advanced SCBA techniques including VEIS, Search and Rescue, Emergency Breathing Techniques, etc. All TCFP/SFFMA, FFI and FFII objectives are met.	4
Live Fire LPG Tuesday FEE: \$75.00 ARE006-117 <a href="https://tinyurl.com/5xpw82px">https://tinyurl.com/5xpw82px</a>  <small>TEEX FP ARE006 117 R</small>	4/1/2025 6:00 PM to 10:00 PM	4	While liquid propane gas fires are rare, the unique dangers and challenges they pose require specialized techniques to control and extinguish. Hose handling and working together as a team are key aspects of LPG fire evolution success and will be part of the instruction.	4
Live Fire House Tuesday FEE: \$75.00 ARE006-116 <a href="https://tinyurl.com/2wzsacy6">https://tinyurl.com/2wzsacy6</a>  <small>TEEX FP ARE006 116 R</small>	4/1/2025 6:00 PM to 10:00 PM	4	Live fire evolutions within the LFR burn house focusing on initial fire attack techniques, hose handling, and basic search.  Live Fire: We must have a signed live fire waiver on file for you to participate in live fire training. If you or your department has submitted one in the past we will verify your waiver and you will be approved.	4

Course	Day / Time	*REQ	Objectives/Description	Hrs.
Flashover FEE: #75.00 ARE006-112 <a href="https://tinyurl.com/29v7ac2s">https://tinyurl.com/29v7ac2s</a>  <small>TEEX FP ARE006 112 R</small>	4/1/2025 6:00 PM to 10:00 PM	4	Students will learn to recognize and avoid the dangers of flashover through lecture, followed by live fire evolutions in LFR's Draeger Flashover Container. The flashover course gives students the knowledge to avoid being caught in one of the most dynamic and dangerous situations on a fire scene.  Live Fire: We must have a signed live fire waiver on file for you to participate in live fire training. If you or your department has submitted one in the past we will verify your waiver and you will be approved.	4
Electric Vehicle Awareness FEE: \$75.00 ARE006-115 <a href="https://tinyurl.com/sbw9hnnd">https://tinyurl.com/sbw9hnnd</a>  <small>TEEX FP ARE006 115 R</small>	4/1/2025 6:00 PM to 10:00 PM	1	Discover the challenges presented by Lithium-Ion (Li) batteries, electrified transportation, and energy storage systems. This course will present a short history on how Li batteries function, the risk of thermal runaway, why Li fires are so difficult to put out, resources available to responders, concerns for towing companies and battery recycling facilities, and provide tools on how to protect yourself and the public. Topics Covered: <ul style="list-style-type: none"> <li>• Battery Chemistry Discussion</li> <li>• Thermal Runaway &amp; Flood Damage</li> <li>• Response SOPs and SOGs</li> <li>• Response Guides</li> <li>• Post Incident Considerations</li> <li>• Horizon Opportunities</li> </ul>	4
Advanced Hose Handling FEE: \$150.00 ARE006-113 <a href="https://tinyurl.com/p9xmwayx">https://tinyurl.com/p9xmwayx</a>  <small>TEEX FP ARE006 113 R</small>	4/1/2025 6:00 PM to 4/2/2025 10:00 PM  Each Night Tuesday – Wednesday Must attend all 2 nights	4	The Advanced Hose Handling course focuses on mastering the techniques required for effective hose management in high-pressure fire scenarios. Through practical exercises and real-world simulations, firefighters will enhance their ability to handle and maneuver hoses in challenging environments, improving efficiency and safety during fire suppression operations.	8

Course	Day / Time	*REQ	Objectives/Description	Hrs.
Live Fire LPG Wednesday FEE: \$75.00 ARE006-120 <a href="https://tinyurl.com/mvd26hwr">https://tinyurl.com/mvd26hwr</a>  <small>TEEX FP ARE006 120 R</small>	4/2/2025 6:00 PM to 10:00 PM	4	While liquid propane gas fires are rare, the unique dangers and challenges they pose require specialized techniques to control and extinguish. Hose handling and working together as a team are key aspects of LPG fire evolution success and will be part of the instruction.	4
Live Fire House Wednesday FEE: \$75.00 ARE006-119 <a href="https://tinyurl.com/4fubfzau">https://tinyurl.com/4fubfzau</a>  <small>TEEX FP ARE006 119 R</small>	4/2/2025 6:00 PM to 10:00 PM	4	Live fire evolutions within the LFR burn house focusing on initial fire attack techniques, hose handling, and basic search.  Live Fire: We must have a signed live fire waiver on file for you to participate in live fire training. If you or your department has submitted one in the past we will verify your waiver and you will be approved.	4
Forcible Entry Wednesday FEE: \$75.00 ARE006-118 <a href="https://tinyurl.com/ysw6c3ht">https://tinyurl.com/ysw6c3ht</a>  <small>TEEX FP ARE006 118 R</small>	4/2/2025 6:00 PM to 10:00 PM	4	Being able to gain access to the inside of buildings and vehicles in an effective and efficient way, gives first responders the ability to quickly rescue victims or mitigate the problem at hand. This class discusses the different techniques and thought processes to effectively force entry, as well as the opportunity to force different doors on our forcible entry simulator.  Bunker Gear and Eye Protection Required	4

Course	Day / Time	*REQ	Objectives/Description	Hrs.
SFFMA Certification Workshop <b>Certification Workshop</b> (sffmaportal.org) No Registration through TEEX myStudent Portal, registration is via SFFMA Portal	4/2/2025 6:00 PM to 10:00 PM	1	In an effort to make participation in the SFFMA Certification Program easier, Certification Workshops are now available at any time through your individual Portal page. Log into your Portal account Select "Available Courses" from the green Training box Watch the video consisting of an overview PowerPoint presentation, a review of website resources, and Portal orientation. Complete the short quiz Completion of the quiz automatically updates your individual workshop attendance.	2
Saving Our Own FEE: \$75.00 ARE006-121 <a href="https://tinyurl.com/9yh5895e">https://tinyurl.com/9yh5895e</a>  <small>TEEX FP ARE006 121 R</small>	4/3/2024 6:00 PM to 10:00 PM	4	An intensive hand on firefighter rescue and survival course that includes the firefighter ladder bailout, breaching and escape through walls, window bailout techniques, the Denver Drill, and other life-saving skills.  Bunker Gear and Eye Protection Required	4
Advanced Multi Company House Fire FEE: \$75.00 ARE006-112 <a href="https://tinyurl.com/47ny2hat">https://tinyurl.com/47ny2hat</a>  <small>TEEX FP ARE006 122 R</small>	4/3/2024 6:00 PM to 10:00 PM	4	The Advanced Multi-Company House Fire course is designed to enhance the skills and tactics required for managing complex, large-scale residential fires. Participants will engage in hands-on scenarios and simulations that focus on coordinated multi- company operations, including advanced search and rescue, ventilation, fire suppression, and incident command.	4

**\*ESTI Student Safety Manual PPE requirements for levels (0-5). Classes are subject to change and/or cancellation.**
