Class Schedule

The Central Texas Police Academy (TPA100) is a twenty-week (830-hour) face-to-face course. Classes generally run from 7:30 a.m. to 5:00 p.m. Monday through Friday, but there are times when the class schedules vary, including some nighttime training events. A class schedule is provided at the start of the academy and is subject to change.

Agency Sponsored Participants

Participants will be required to pay an additional nonrefundable $613 vehicle usage fee if the sponsoring department is unable to provide a vehicle for the driving portion of the course. This fee is separate from the course tuition and is paid directly to TEEX. The fee must be paid after the second exam, but before the police emergency driving portion of the course.

Career Services

The TEEX Career Services Department (careerservices@teex.tamu.edu) provides classes and one-on-one assistance in job interview techniques and résumé writing at no additional cost to participants in good standing. TEEX does not guarantee employment in a particular job or a specific salary range upon program graduation.

Job Placement

A TEEX staff member will be contacting you and/or your future employer after graduation to verify your employment status. This will help TEEX identify employment trends, determine areas of improvement for our vocational programs, and pursue Department of Education accreditation.
