Tabletop Training Exercise
Facilitator: Ernesto Ballesteros, JD
Cybersecurity State Coordinatior Of Texas
CISA Region 6
*Summit participants will take part in
a cyber attack tabletop exercise led by TEEX
Cyber Readiness Center experts to learn
how to coordinate efforts during a
cybersecurity incident. The exercise will
mimic a real incident that could have a
damaging impact on an organization's*

*business continuity. Participants will
identify the various internal and external
stakeholders and their roles and
responsibilities to effectively respond to
the incident. They will come away with
knowledge of how to successfully integrate
cybersecurity response operations into their
organization.*
