

Thank you for applying for the TEEEX Fire Service Chief Executive Officer (FSCEO) program in College Station, TX. This capstone program is a collaboration between TEEEX and Texas A&M University Mays Business School. It is delivered by the professors of Mays Business School and is designed to provide advanced level professional development to sharpen leadership skills of executives within the fire service. Admission to the program will be on a competitive basis through this application process.

About this application process

You will be asked a series of questions to determine if you meet the minimum qualifications for this program. Please fill out this application and upload it to your TEEEX Student Portal. Upload your proof of prerequisites. Once you have uploaded this application and all necessary prerequisites, your application will be reviewed. If you have questions or concerns about this process, please contact Sean Fay at Sean.Fay@teex.tamu.edu or 979-321-6215.

Prerequisites

You have selected the **Track A** option. For Track A, all certifications held must be issued by one of the organizations listed below and you must be actively employed or serving in the Fire Service and/or Emergency Medical Services field.
