## EMERGENCY SERVICES TRAINING INSTITUTE

200 Technology Way  
College Station, TX 77845-3424

**866-878-8900**

**[esti@teex.tamu.edu](mailto:esti@teex.tamu.edu)**

The TEEX agency, one of the largest providers of training courses for emergency response, has over 80 years of experience in training and technical assistance both domestically and internationally. This agency, affiliated with the University System Texas A&M, has been training firefighters since 1930 and now annually trains over 84,000 students from the United States and over 66 countries.

## Audience

Program is designed for emergency response professionals.

## Certification Requirements

- Complete one course in each of the five modules within ten years of the date of the first completed course
- Three of the five courses must be taken at Brayton Fire Field in College Station. Two of the five courses may be taken with one of our authorized TEEX Cooperative Learning Centers (CLC), who is authorized to teach these courses
- No university degree required
- No annual membership dues
- Credit granted for previous TEEX ESTI training within last ten years

## Benefits

- Gain a solid, broad-based education in the field of emergency response
- Enhance your potential for career advancement
- Training is verifiable by any employer and transferable from employer to employer

## How to Apply

Send a copy of all 5 TEEX certificates to Brian at **[brian.freeman@teex.tamu.edu](mailto:brian.freeman@teex.tamu.edu)**. Once we have received and verified your 5 certificates, you may fill out the application form and pay only \$150.00 to receive your *Emergency Response Specialist Certificate*, a TEEX coin, and a patch. TEEX will mail your certificate to the address you provide on your application form.
