October 13, 1967 insofar as Section 202 is affected by changing the word "creed" to "religion" and by adding the word "sex". The signing will also serve as written affirmation of the following CERTIFICATION OF NON-SEGREGATED FACILITIES. By the acceptance of this document, the bidder, offeror, applicant or subcontractor certifies that they do not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not permit their employees to perform their services at any location under their control, where segregated facilities are maintained. They certify further that they will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they will not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The bidder, offeror, applicant or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification the term "segregated facilities" means any waiting room, work area, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise.

4. Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333). Where applicable, all contracts awarded by recipients in excess of $20,000 for construction contracts and in excess of $250,000 for contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (20 CFR part 3). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction projects.

visions of SECTION 202 of EXECUTIVE ORDER No. 11246 pertaining to Equal Employment Opportunities effective September 24, 1965 and its amendment EXECUTIVE ORDER No. 11375 effective October 13, 1967 insofar as Section 202 is affected by changing the word "creed" to "religion" and by adding the word "sex". The signing will also serve as written affirmation of the following CERTIFICATION OF NON-SEGREGATED FACILITIES. By the acceptance of this document, the bidder, offeror, applicant or subcontractor certifies that they do not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not permit their employees to perform their services at any location under their control, where segregated facilities are maintained. They certify further that they will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they will not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The bidder, offeror, applicant or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification the term "segregated facilities" means any waiting room, work area, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees.
