When I successfully complete the online portion, am I automatically enrolled in the skills portion?

Answer: No. You must apply for an additional HB 2604 voucher or TIFMAS Training Grant and register to attend the face-to-face skills week at Spring or Municipal Fire School.

How will I know when to start the online course?

Answer: When you register and pay for the course, a confirmation email will be sent to you confirming your registration and will have a registration key that will provide you access once the start date approaches.

Is this a pass/fail course?

Answer: No. You will be given a competency exam at the end of the course which you can use to gauge your understanding of the content.

Will this course (and others coming soon) replace the Phase programs?

Answer: Yes. Phase 1 – 4 will gradually be phased out.

Does this course make me eligible for TCFP crossover?

Answer: This course is designed to meet all 2019 NFPA 1001 and State Firefighters' and Fire Marshal's (SFFMA) Firefighter I training objectives. For more information on the crossover program, please contact the SFFMA.

Can I register multiple members of my department in this course to work together?

Answer: Yes, you can register more than one participant in the course however, you must register and pay or provide a HB 2604 or TIFMAS voucher for them to receive credit for attendance.
