What you should do if using Texas A&M Forest Service grant funding for Spring Schools:

- Determine the number of students attending
 - **At least 1 day prior to the first day of class**, submit a training tuition grant request through [FireConnect](#). **Be sure to select "TEEX Spring School" as the Provider.**
 - **Complete the TEEEX registration forms through the online system.**
 - Department updates to the TAMFS training tuition grant request and/or TEEEX registration are accepted as long as they meet the deadline requirements.
- PLEASE NOTE**

 - TAMFS Grant Funding for Annual Schools is offered through both HB 2604 and TIFMAS grants.
 - It is not required that your grant request be approved by TAMFS before registering with TEEEX. Due to classes filling quickly and/or other TEEEX deadlines, TAMFS encourages you to complete your TEEEX registration before applying for grant assistance.
