VOUCHER PAYMENTS

The payment process through the Texas A&M Forest Service funding (H.B. 2604 or TIFMAS Grant Assistance Program) has been streamlined.

- (1) Before you register for a course, **YOU MUST attain approval from the Texas A&M Forest Service for training tuition.** On your approval letter, there will be a voucher approval number (VFDE number). Each participant approved for tuition grant assistance will need this number.
- (2) Register for your course through your TEEX student portal account. On the payment section, choose **<Purchase Order>** and enter your **<VFDE number>** (for example: E123456). If your department was approved for multiple participants, each participant, up to the maximum approved in the training tuition request, may use the same VFDE number. If the total amount due is greater than the total amount allowed by the tuition voucher, the individual/department will be responsible for the difference. You are no longer required to email or fax the approval letter to TEEX-ESTI unless it is specifically requested by TEEX staff.

The PO contact email should be either yourself or a responsible person within your organization.

NEW for 2023:

A new data field, the Tax ID, has been added to the payment process.

Use the Tax ID number (Tax Payer ID, EIN or FEIN) assigned to your organization. This field is required and should be in the following format: xx-xxxxxxx.

NOTICE: Once registration / tuition payment has been made, **you will not be able to change method of payment.** Therefore, be sure to have your HB 2604 letter/voucher with the approval number to enter for payment **before you register.** The original form of payment, such as a personal credit card, cannot be changed.

CANCELLATION / TRANSFERS

NEW for 2023: TEEX has implemented a \$50 administrative fee for customers requiring special handling on registration changes such as class transfers. This fee is not reimbursable by the Forest Service.
