

How Do I Register/Get My TEEEX Certificate?

TEEX is making it easier for you to get your certificate! You are now able to view, download, and/or print your certificate from the MYTEEX Student Portal. Certificates are available on the student portal 14 days after a class has ended.

If you already have a MYTEEX Student Portal account, go to my.teex.org/teexportal and log in. You should see the course you took and the print certificate option.
